How To Write Your Testimony

Here are three steps to follow when preparing a testimony.

Step 1 My Attitudes and Actions Before Accepting Christ

- What were you searching for before coming to know Christ?
- What were the key problems, emotions, situations or attitude you were dealing with?
- Never list all the details. You don't need to give a laundry list of your sins.
- What ways were you using to fill the needs you had in your life?
- Never glorify your previous sins or lifestyle
- Tell the truth, don't exaggerate, and never make things up to create a better sounding testimony.

Step 2 How I Received Christ Personally

- What prompted you to want to know about Jesus?
- Share how you realized that you needed Jesus.
- How were you converted? Simply tell the events and circumstances that caused you to consider Christ as the solution to your searching.
- Emphasize Christ's work in you, not the bad things you did prior to salvation.
- If you grew up in a Christian home, share when Christ started to be real for you and when your faith became personal and real, not just a part of your family.
- Remember to feature Christ, and not yourself
-

Step 3 How Has Becoming A Christian Changed You

- How has your life in Christ made a difference?
- How has his forgiveness impacted you?
- How have your thoughts, attitudes and emotions changed?
- Share how Christ is meeting your needs and what a relationship with him means to you now.
- What is God doing in your life right now?

Remember, you are a work in progress; make sure you share that you are daily trusting in Christ.
