

# NATIONAL PRISON CARD MINISTRY

## FACT SHEET

### I What Is This Program?

The ministry program is provided for prisoners and their families, friends and loved ones. The program encourages open communication from prisoners during important times in the lives of those that they are emotionally and spiritually attached to. Prisoners can utilize these cards, the cards include: Mother's Day, Father's Day, Holiday, Thanksgiving, Christmas, birthday, get well, thank you, miss you, sympathy blank cards, and other cards on hand.

### II What Is The Quality Of The Cards?

Hallmark Card Company is known for high quality cards nation wide. Hallmark Card Company provides the cards from their current stock. Cards from four to ten depending on size of cards and envelopes are plastic wrapped and packaged into a case. Envelopes come with Hallmark Card Company trademark logo.

### III How Does This Program Work?

Partnership with The Salvation Army, Hallmark Card Company, United Postal Service and the Prisons System. Hallmark provides the cards, The Salvation Army provides warehouse storage along with shipping and receiving and United Postal Service is our carrier.

### IV What Is The Cost?

The cost to the Prison or local Chaplin's ministry is \$20.00 per case. The card count ranges between 500 and 1,000. The count depends on the card stock, size and order request. This fee is the same for shipments any place in the continent of the United States of America. Cards are shipped by United Postal Service.

### V Helpful Funding Information

There are some correction facilities that have a "Prisoners Welfare Fund" that can be used for programs and services to benefit the prison population. These funds are often accumulated from proceeds of prisoner operated services such as a commissary. Some of the Chaplin's using our Prison Card Ministry has been able to call upon the resources of the prison budget. Other Chaplain's raise their own funds through local churches and/or Service Clubs who are interested in supporting this ministry.
