Seasonal Opportunities

Special events and seasonal needs also require the help of numerous dedicated volunteers. These opportunities are great for those who are interested in giving back but do not have the availability to volunteer year-round.

Food Drive Helpers: Assist in sorting and boxing food items, received during community food drives, by category. Dates and times vary based on the individual food drive. If interested, your name will be placed on a seasonal calling list.

League of Mercy: Bring some cheer to those that are usually forgotten. Volunteers are needed to help visit local nursing homes and distribute gifts provided by The Salvation Army during the Easter and Christmas seasons. This is a great activity for families and groups!

Disaster Services: Emergency services as needed during disasters. Volunteers are on-call and will usually be contacted to assist during fires, storms, and other disasters within the community. Training opportunities are provided throughout the year. No experience necessary.
