

Older Adult Ministries Mission

Knowing that all people are important; The Salvation Army of Wisconsin and Upper Michigan affirms the importance of Older Adults in the sight of God, family and community. Our mission is to engage them in the ongoing celebration of life through spiritual and emotional enrichment. Through social and recreational opportunities we empower them to use their God given talents to be of service to God and community.

The Salvation Army Cares

The Salvation Army cares about all of God's children no matter how young or old they are. They care for the whole person: spiritually, emotionally and physically. The information in this brochure is specifically about programs designed for adults over the age of 50. If you would like information about our programs please give us a call.

Older Adult Programming

Senior Centers: Offer fun, fellowship and food for seniors in Wisconsin and the UP of Michigan.

Spring Fling: Spring Fling is a party at The Salvation Army Camp in May. Fun activities, good food and lots of fun.

Summer Camp: Adults ages 50+ come to The Salvation Army Camp for 5 days of fun programs, good fishing, great food, and fun with friends.

Christmas Luncheon: In December The Salvation Army sponsors a FREE luncheon at the Italian Community Center. Although it is free reservations are required one week prior to the event.

Gift of Warmth: In October and November The Salvation Army gives blankets to those seniors who find themselves cold due to high heating bills.

Nursing Home visits: At Christmas Salvation Army volunteers and staff bring gifts to patients at Nursing Homes, Rehabilitation Facilities and shut-ins across Milwaukee County. Volunteers and staff also visit patients throughout the year at these facilities.
